Display the subtitle language list

SAFETY INSTRUCTIONS

Please read the safety instructions carefully before using the Edision OS mini plus. The manufacturer takes no responsibility for incorrect handling of the Edision OS mini plus.

- * For sufficient ventilation, leave enough space.
- * If unused for a prolonged amount of time, turn the power OFF.
- * Do not cover the Edision OS mini plus ventilation openings with items such as newspapers, tablecloths, curtains etc.
- * Do not expose the Edision OS mini plus to liquid, moisture, direct sunlight and extreme weather.
- * Do not place open flame sources, such as lighted candles, near or on the Edision OS mini plus.
- * Do not place any containers with liquid, such as vases, on the Edision OS mini plus.

WARNING!

- * Modifications and changes to the Edision OS mini plus lead to loss of warranty
- * Incorrect software installation leads to loss of warranty.
- * This instruction might be modified without prior notice.

- * Do not connect or modify cables while the Edision OS mini plus is connected to the power.
- * Do not remove the cover. Risk of electric shock!
- * Do not touch the Edision OS mini plus with wet hands. Risk of electric shock!
- * Do not put any metal items into the slots or ventilation openings.
- * Please disconnect your Edision OS mini plus from the main power during thunder or heavy storms.
- * Disconnect the main power cable if the power cord is damaged.
- * Cleaning: Disconnect the main power cord before cleaning the cover. Use a slightly damp cloth without cleaning agents.
- * Connect the Edision OS mini plus only to suitable sockets. Do not allow overloads to occur.

DISPOSAL INSTRUCTIONS

1. When this crossed-out wheeled bin symbol is attached to a product it means the product is covered by the European Directive 2002/96/EC.
2. All electrical and electronic products should be disposed of separately from the municipal waste stream via designated collection facilities appointed by the government or the local authorities.
3. The correct disposal of your old appliance will help prevent potential negative consequences for the environment and human health.
4. For more detailed information about disposal of your old appliance, please contact your city office, waste disposal service or the shop where you purchased the product.
