

TVAC19100B

## WLAN outdoor camera & app

Perfect all-around protection in outdoor areas This weatherproof WLAN outdoor camera comes with a compatible app for iOS or Android which even technical laymen can use to quickly and easily install the system. With a resolution of 720 p and integrated infrared night vision function, the camera delivers brilliant image quality both day and night. Event notification and mobile access via app Movements within the detection range of the camera are reliably identified by the passive infrared sensor. Recording on the SD card starts automatically. If desired, you will be informed of incidents by e-mail or push notification and can take a snapshot or view the corresponding video image data using the app. With the app, you have simultaneous access to the image material of up to eight cameras. The efficient H.264 data compression reduces the network load to a minimum and increases the storage volume.

### Product highlights:

- For flexible outdoor use
- Guided step-by-step installation via app (iOS, Android)
- App access of up to 8 cameras
- HD 720p resolution and infrared night vision function for brilliant image quality
- Professional integrated motion detection (PIR sensor)
- E-mail notification, snapshot function and push notification via app when motion is detected
- Sturdy, weatherproof outdoor camera (IP66)
- Recording to SD card (accessory, max. 32 GB)
- Low network load thanks to compressed data transfer (H.264 compression)

TVAC19100B

# **WLAN outdoor camera & app**

**Technical Data**

Number of IR LEDs	6	Lens	TCP/IP, UDP, SMTP, NTP, DHCP, ARP
Resolution	HD 1280 x 720 incl. audio	PIR range	3 m
Recording resolution @ frame rate per camera	720p @ 5/ 10/ 20 fps (max. images per second)	Range of night vision function	5 m
Image sensor	MP CMOS	IP protection class	66
Horizontal angle	50°±3°	DC voltage supply	5 V
Width	67 mm	Power consumption	1500 mA
Focal length	2,8 mm	Video compression	H.264
Frequency	2,4 GHz	Network access	Ethernet (10/100 Base-T/Base-TX); Wi-Fi (IEEE 802.11 b/g/n)
Height	48 mm	IR LEDs	6 IR Power LEDs
IR cut filter	Yes	Number of users	3 simultaneous access sessions
Length	134 mm	Frame rate	VGA @ 20 fps / VGA @ 25fps / 720p @ 5 fps / 720p @ 10 fps
Max. operating temperature	50	Encryption	WPA /WPA2/WPA2-PSK (TKIP, 128 bit AES)
Min. operating temperature	-10		
Net weight	0,3 kg
