

Video Combination Cable 100 m

Art.-Nr. KA9001

-
- Combined cable for video image and power supply
 - Coaxial cable with 75 Ω impedance
 - Power line 2 \times 0.75 mm²
-

Use the video combination cable to connect individual components and ensure high-quality data transmission. The two integrated power wires (2x 0.75mm²) supply connected equipment with electricity. The cable impedance is 75 Ohm. The video combination cable is available in three lengths: 50 m (KA9002), 100 m (KA9001) and 250 m (KA9000).

Technical Data

AC voltage supply	24V
Application purpose	indoors
Cable length	100m
Cable type	Combined video cable
Cores	RG59, 2x 075mm ²
DC voltage supply	12V

Diameter	9.8mm
Housing material	PVC
Insulation	1.0
Max. operating temperature	70°C
Min. operating temperature	-10°C
Outer diameter	9.8mm
