

# Analogue HD 720p Outdoor Dome Camera

Art.-Nr. HDCC31500

---

- 
- Detailed high resolution (thanks to 1280 x 720 pixels at 25 frames per second)
  - Sturdy weatherproof camera housing (IP66)
  - With 24 IR LEDs for night vision, up to approx. 10 m range
  - Noise reduction (DNR) for clear images even at low light levels
  - Automatic day/night switching
  - Can be mounted on ceilings and walls
  - Including 1 x 30 m combined video cable (video signal + power supply)
  - Plug-and-play installation and connection using a BNC connector, including for existing analogue cables
- 

The outdoor dome camera provides high-resolution images in HD 720p and is easily connected to a recorder or monitor using a conventional analogue combined video cable (image and power).

### **Reliable data transmission at high resolution**

Analogue HD cameras offer the best of both worlds, providing secure, problem-free transmission – knowledge of IPs not required – via analogue combined video cable, and also HD resolution with 1280 x 720 pixels at 25 frames per second, a performance otherwise only attributed to megapixel cameras from IP technology. And all of this at attractive value for money.

### **Weatherproof day/night surveillance**

The dome camera is installed in a robust housing with IP66 protection class and is therefore ideal for outdoor use in all kinds of weather. The 24 integrated IR LEDs and automatic day/night switching provide reliable

---

surveillance day and night. The integrated noise reduction also ensures that the camera produces sharp images even in low lighting conditions.

## **Easy commissioning**

Thanks to the supplied combined cable and plug-and-play installation, the camera can be mounted on the ceiling or wall and started up immediately. Even existing BNC cabling can be used.

# Analogue HD 720p Outdoor Dome Camera

Art.-Nr. HDCC31500

## Technical Data

Backlight compensation	Yes
Camera outputs	1 x BNC (HD-TVI)
Camera type	Analogue HD 720p outdoor dome camera
Certifications	CE, C-Tick
Connections	Video signal (BNC), power supply (DC)
DC voltage supply	12V
Day/night switching	Electromechanical IR cut filter
Diameter	89,6mm
Electronic shutter	1/25 ~ 1/50.000s
Focal length	3,6mm
Height	59,1mm
Horizontal angle of view	76,88°
Housing material	metal
IP protection class	66
IR LEDs	24
IR range	10m
Image sensor	1/3 inch progressive scan CMOS
Language of instructions	English, German, French, Dutch, Danish, Italian, Polish, Spanish, Swedish
Lens	3.6 mm, fixed lensmm

Max. humidity	90%
Max. operating temperature	50°C
Max. resolution @ frame rate	1280 x 720 @ 25 fps (PAL) / 1280 x 720 @ 30 fps (NTSC)
Min. operating temperature	-20°C
Minimum illumination (IR)	0lx
Minimum illumination (color)	0,01lx
Net weight	0,4kg
Noise reduction	> 52 dB
Packaging language	English, German, French, Dutch, Danish, Italian, Polish, Spanish, Swedish
Pixels (effective)	1280 (H) x 720 (V)pixel
Power consumption	3,5W
Power consumption	300mA
Resolution modes	720pixel
Video system	HD-TVI
Width	89,6mm
